

May 2016

Dear Parents/Guardians:

I would like to officially inform you that DeSales High School will be again offering bus service for the 2016 – 2017 Academic Year. We are again excited to provide this opportunity and hope that this service may be a convenient way for many families in our school community to transport their sons to DeSales. We have finalized the details of the service and are now accepting sign-ups.

The annual cost of the bus service will be \$450 for the first student, with each sibling costing only \$150 additional for the year. Payment will cover transportation to and from school each day. Discounted fees will not be offered for students using only one-way service.

Please see the enclosure for the bus route that will be used for the school year. Drop-off and pick-up times are subject to adjustment; however, parents/guardians will be notified prior to any time changes.

Departure from school in the afternoon will be promptly at 3:15 p.m. each day. This allows students the opportunity to meet with teachers before leaving school. On “late opening” or “early dismissal” days, the route times will be adjusted based on the established dismissal or opening schedule.

A Parent Agreement Form is attached and should be completed and returned with the rider fee by Friday, July 22, 2016. Availability of the bus service will be on a first-come, first-served basis. You are encouraged to return the form and fee by this date to ensure your son’s spot on the bus. Checks for the bus service should be made payable to “DeSales High School”.

If you have any questions, please feel free to contact the school office at 368-6519.

Thank you,

*Douglas L. Strothman*
