- good sportsmanship and fair play

DeSales strives to be the best by providing a holistic learning experience, both inside and outside the classroom. This is achieved through encouraging and promoting best practice and by being aware of and proactively addressing the ever-changing needs of the community. DeSales High School aspires to continue being a leader in educational and technological innovation, providing state of the art facilities, building upon the success of the Teach-nology program, and developing a curriculum to prepare students to be competitive in the global market place.

HERITAGE AND HISTORY

In 1954, the Carmelite Order was invited to administer a high school for boys in the South End of the city. During the following year, the process of negotiations with the diocese for the establishment of DeSales High School began.

On August 9, 1956, Fr. Jude Cattelona arrived in Louisville to become the founding Vice President of Academics of DeSales High School. On September 10, 1956, approximately one hundred thirty boys began their freshman year at DeSales, and on May 29, 1960, eighty-five young men became the first graduates of DeSales at ceremonies in the outdoor amphitheater in Iroquois Park.

Priests from the Carmelite Order continued to serve DeSales as Vice Presidents of Academics through 1983. Fr. Murray Phelan, Fr. Tom Batsis and Fr. Farrell Kane each strove to maintain the quality of a DeSales education while adapting it to important changes with the local community and American society as a whole. From June, 1983 to present, DeSales merged ahead under the guidance of lay Vice Presidents of Academics and administrators.

In July, 2006, DeSales named its first full-time President in Mr. Doug Strothman. The future of DeSales was further secured as a new sponsorship agreement was negotiated with the Archdiocese of Louisville in 2007. The new agreement assures DeSales its campus facilities for the next twenty-five years with an option for an additional twenty-five. Thus, the DeSales leadership team is laying the vision for the next fifty years of the school's history.

From its very beginnings, DeSales High School has striven to serve the educational needs of Louisville families. The professional and dedicated leadership of its administrators and generous contributions of the faculty, parents, students, alumni and the community as a whole have helped make DeSales one of the finest Catholic educational institutions in the region.

SYMBOLS

Patron

St. Francis DeSales was born in 1567 in the backwoods of the lower Alpine mountain ranges in France. At the age of 15, he traveled to Paris to study at the Jesuit University College of Clermont, near the Sorbonne. In 1593 he was ordained a priest, and in 1602 he was consecrated Bishop of Geneva. He died in December 1622.

The patron of writers and journalists, Francis DeSales holds an honored place in French literature. His great work, *Introduction to the Devout Life*, was a pioneer book in showing that the Christian life is the challenge of every baptized Christian.

Following the example of our patron, St. Francis DeSales, we at DeSales strive to imitate his dedication to the Christian message, his scholarship, his spiritual heroism, and his love for all people.

Mascot

The Colt is a symbol of the spirit, life and vitality that is DeSales. The Colt was chosen as the school mascot because of the school's location in the South End of Louisville, home to Churchill Downs and the Kentucky Derby.

DeSales High School Song

By T. Hurley

DeSales High, DeSales High,
We sing our proud refrain:
The men of the brown and white
Will once again bring fame.
We never will give in till the
Job is done,
With vict'ry as our goal and the
Prize is won.
DeSales High, DeSales High,
We pledge our hearts to you!

DeSales High, DeSales High
We sing our spirit bold:
Your banner and colors bright
We ever will uphold.
With unity and strength
We have always led,
With loyalty and pride
We will strive ahead.
DeSales High, DeSales High
We pledge our hearts to you!

Coat of Arms

The four quadrants of the Coat of Arms are separated by a cross, the symbol of Christianity. DeSales is, first a Catholic school, which seeks to promote and encourage the Christian way of life as expressed in the message of Jesus and in the history and traditions of the Catholic Church.

In the upper left quadrant is the shield of the Carmelite Order. The arched line represents Mount Carmel in Palestine where the Carmelite friars began; the three stars represent Elijah and Elisha—prophets of the Old Testament—and Mary, the mother of Jesus.

In the upper right quadrant is the quill-pen of scholarship, symbolic of the academic endeavors of teachers and students at DeSales High School.

In the lower left quadrant is the Olympic Torch, an ancient Greek symbol representing the athletic endeavors of the DeSales High School Community.

In the lower right quadrant is the fleur-de-lis, the symbol of the city of Louisville.

CLASS RINGS

The DeSales school ring is intended to be a symbol of both school tradition and the individual student's accomplishments. The official school ring must, therefore, comply with DeSales' specifications. A DeSales class ring contains an amber stone and the school's crest on one side. Students are allowed to put any activity symbol on the side opposite the school crest. All students are encouraged to participate in the Junior Mass and Ring Ceremony; however, in order to receive the ring during the Junior Ring Ceremony, the ring must meet the aforementioned specifications.

Academic Policies and Procedures

ADMISSION POLICIES AND PROCEDURES

DeSales High School admits students of any race or national/ethnic origin to all the rights, privileges, programs and activities generally accorded or made available to students at DeSales High School. We do not discriminate on the basis of race or national/ethnic origin in the administration of its policies, its financial assistance and scholarship programs, or its athletic and other school-administered programs.

A student interested in starting at DeSales High School in August as an incoming ninth grader should contact the school's Associate Director of Advancement/Admissions to obtain information about the process of enrolling at DeSales High School. Please note that the Catholic High School Placement Test is required before a student may be considered for admission as an incoming freshman.

A student previously or currently enrolled in another high school wishing to transfer to DeSales High School should first contact the school's Associate Director Advancement/Admissions to set up an interview. A student wishing to attend DeSales as a transfer student may be admitted on a probationary basis only after a review of that student's academic and disciplinary records from his previous or current high school. DeSales High School does not accept senior transfers from non-tuition based schools.

PROGRAMS OF STUDY

The goal for every young man at DeSales High School is to graduate with the skills and knowledge necessary to succeed at the post-secondary level, whether he is headed to college, the workforce, or to military service.

Coursework at DeSales is based on state and national standards for each discipline. Further, the Programs of Study is designed to meet the minimum Kentucky Core Curriculum while allowing students the opportunity to participate in learning experiences unique to their post-secondary goals. Students may elect to participate in Advanced Placement/Dual Credit classes and other educational experiences designed to meet their learning goals.

For the purposes of scheduling students, the Programs of Study design places students into one of three academic levels—Academic, Scholastic, or Honors.

The Academic Program is designed for students who may need additional academic support to experience success during their high school career. Students in the Academic Program may be planning to attend a

technical college, community college, or another form of post-secondary training upon graduation from high school. This program ensures that students earn the required credits prescribed in the Kentucky Core Curriculum.

The Scholastic Program is designed for students who demonstrate average or above average proficiency in the areas of reading, language and mathematics. The program is designed to ensure that students earn the required credits prescribed in the Kentucky Core Curriculum, in addition to a minimum of two years of the same world language study. The Kentucky Core Curriculum courses and the two year minimum world language study requirement will prepare students in the Scholastic Program to pursue post- secondary education at both two and four year colleges and universities.

The Honors Program is designed to provide students the academic background they will need to be successful in a college or university setting and to allow those students the opportunity to gain college credit while still enrolled in high school. Honors Program students are expected to enroll in a minimum of six Honors level courses and enroll in a minimum of four College Board endorsed Advanced Placement courses or dual credit courses. In addition to the Kentucky Core Curriculum and the opportunity to participate in AP or dual credit courses, the Honors Program requires a minimum of three years of the same world language study with the option of a fourth year of study. Students who demonstrate strength in the areas of reading, language and mathematics will benefit the most from the Honors Program of Study.

Members of the Guidance Team will meet with each student to formulate a comprehensive academic plan for the student while he is enrolled at DeSales. These plans are fluid, so as student interests and abilities change, the plan may be modified to best meet the needs of the individual student. Placement decisions for coursework will be based on a review of placement test scores, prior student work, consultation with faculty, and consultation with the family. It is the intention of DeSales High School to assist every young man to alleviate any learning barriers and to reach his full potential for success.

REGISTRATION FOR RETURNING STUDENTS

A returning student's registration is complete only upon receipt of a completed Re-enrollment Application packet and the non-refundable tuition deposit. ACADEMIC CREDIT

A student is awarded ½ a credit for each semester course he successfully completes and a full credit for each year-long course he successfully completes. A course is successfully completed when all the desired learning outcomes for the course have been met. Any student who is dismissed or withdrawn from school during the course of a semester will not receive credit for those courses from DeSales High School, even if the student is unable to enroll in another school. Upon request, the student’s grade to date will be forwarded to the school in which that student does enroll.

GRADING SCALE AND QUALITY POINT INDEX

This grading scale applies to all courses offered at DeSales:

90-100	A	Indicates Exceptional Achievement
83-89	B	Indicates Above Average Achievement
76-82	C	Indicates Average Achievement
70-75	D	Indicates Below Average Achievement
69 and below	F	Fails to meet Acceptable Achievement Standards

The final class grade is the official grade that will appear on a student’s transcript. The transcript will reflect all courses successfully or unsuccessfully attempted during the student’s high school career. A course retaken during the summer will not replace a course that was failed during the school year on the student’s transcript.

A student’s current grade-point average and his cumulative grade-point average are determined by adding together the grade points he has earned with his grade in each of his courses and dividing this sum by the

number of credits he has attempted. For calculating a current grade-point average and a cumulative grade-point average, letter grades at DeSales have been assigned grade points on the following scale:

A	4.00
B	3.00
C	2.00
D	1.00
F	0.00

All classes that are designated Honors (H) are weighted according to the following 4.5-point scale:

A	4.50
B	3.50
C	2.50
D	1.50
F	0.00

All classes that are designated Advanced Placement (AP) or Dual Credit (DC) are weighted according to the following 5-point scale:

A	5.00
B	4.00
C	3.00
D	2.00
F	0.00

COMMUNICATION BETWEEN HOME AND SCHOOL

The faculty, staff, administration, and coaching staff are committed to working with parents in the best interest of all DeSales students. Open communication is a key component in working cooperatively toward maximum student achievement.

- If a parent has a particular concern or problem, it should first be respectfully addressed at the level at which it occurred. Please email the appropriate faculty/staff member or coach regarding academic, behavioral, athletic, or extra-curricular concerns.
- The faculty/staff member or coach contacted will work to resolve the issue via a phone or email conversation.
- If necessary, the faculty/staff member will work with the parent to set up a conference to discuss the issue.
- It is the parent's responsibility to regularly monitor email and Student/Parent Portal on Teacher Ease to receive updates regarding their son's progress.
- If the issue cannot be resolved at the level at which it occurred, a parent should contact a member of the Student Services Team who will then investigate and help resolve the issue or refer the issue to the appropriate administrator.
- Every teacher and administrator has a school e-mail address. It is reasonable to expect a response to an email within two business days of the message's delivery.

SEMESTER EXAMS

It is important to provide a summative evaluation of student learning at various points throughout the school year. All courses at DeSales High School will include a summative exam or summative project-based assessment at the end of both the first and second semesters.

- Any student whose tuition is not current by the end of business the day before semester exams begin—whether first or second semester—will not be allowed to sit for semester exams until the tuition payments and fees are current.
- Any student who has not fulfilled obligations regarding the proper care of or replacement of lost textbooks and/or classroom materials will not be allowed to sit for semester exams.
- A student who does not sit for semester exams will receive a grade of “I” (incomplete) until he completes the semester exams.
- All semester exams must be completed within 10 business days of the final day of the semester.
- All course requirements must be completed within 10 business days of the final day of the school year for the student to receive academic credit.

STUDENT EVALUATION/CONFERENCING

Evaluation of a student’s progress is available in real-time through the Student/Parent Portal on Teacher Ease. Grade reports are only sent home at the end of the fall and spring semesters.

Parent-Teacher-Student Conferences will be held once each semester and at the discretion of the teacher and parent. Parents of students with a D or an F are expected to schedule an appointment to attend Parent-Teacher-Student Conferences.

MINIMUM ACADEMIC PROGRESS

If a student is not making minimum academic progress toward graduation, his enrollment status will be evaluated. If the student remains at DeSales, he will be placed on a DHS academic contract. Minimum progress is defined as a student successfully completing the following requirements by the start of each school year:

Class of 2018 and beyond:

- Freshmen: Have met all entrance requirements
- Sophomores: Have earned a minimum of 7 academic credits and completed 15 service hours
- Juniors: Have earned a minimum of 14 academic credits and 30 service hours
- Seniors: Have earned a minimum of 21 academic credits and completed 45 service hours
- Graduate: Have earned a minimum of 28 academic credits and 60 service hours

Class of 2017:

- Juniors: Have earned a minimum of 15 academic credits and 30 service hours

- Graduate: Have earned a minimum of 29 academic credits and completed 60 service hours

Exceptions regarding minimum academic progress standards may be made at the discretion of the Vice President of Academics/Principal.

ACADEMIC CONTRACTS

- If at any point during the school year a student fails to demonstrate the necessary progress to meet minimum academic expectations, the student may be placed on a DHS Academic Contract.
- Any student who is placed on an academic contract will be responsible for meeting the requirements of a contract that will be explained to both the student and the parent/guardian during a conference with the Dean of Studies.
- If a student fails to meet the expectations outlined in the academic contract, he will be placed on academic probation.
- A student who fails to meet the terms of the academic probation may be dismissed from DeSales.

ELIGIBILITY FOR EXTRACURRICULAR ACTIVITIES/ATHLETICS

Participation in clubs, sports and extracurricular activities is encouraged as a way to enrich a young man's high school experience.

Consistent with the bylaws of the Kentucky High School Athletic Association, a student must be passing five of his seven courses in order to compete or participate in KHSAA sanctioned events or any other school sponsored extracurricular activity or event.

- Grade checks are completed prior to noon every Monday in order to verify a student's eligibility to compete in athletics or other extracurricular activities.
- Any student who is not eligible on Monday morning, cannot become eligible until grades are checked the following Monday morning. Eligibility is based on the student's current performance on all course work.
- If school is out for a holiday or snow day, the student's current status will stand and eligibility will be run on the next school day.
- Students who are deemed to be persistently out of compliance with the DeSales Student Code of Conduct or who show persistent disregard for their academic progress may be ruled ineligible for participation in athletics and other extracurricular activities.
- To be eligible for participation in any extracurricular activity/athletic event on any given day, a student must be present by the beginning of the lunch period and remain in school for the remainder of the school day.
- Students placed on academic or disciplinary probation are not eligible to participate in extracurricular activities.

HONOR ROLL

Special recognition is awarded to students whose academic achievement meets the following criteria:

- ❖❖ President's List – All grades "A"
- ❖❖ First Honors – All grades "A" and "B" with no more than two "B's"
- ❖❖ Second Honors – All grades "A" and "B"

SCHOOL LETTER FOR ACADEMIC ACHIEVEMENT

Students who are on the Honor Roll for the first time at the end of the school year will receive a school letter. For each year after, they will receive a bar.

SENIOR ACTIVITIES/COMMENCEMENT EXERCISES

DeSales High School honors its graduates with three separate exercises at the end of their senior year:

- ❖❖ Baccalaureate Mass
- ❖❖ Senior Breakfast/Honors Day
- ❖❖ Commencement Exercises

- Attendance is mandatory at all practices and at all three senior activity events. Any unexcused absence at an event will forfeit the student's right to attend the remaining event(s).
- In order to be eligible to participate in end-of-the-year senior activities, a student must have fulfilled the following requirements:
 - Earned credit hours according to approved graduation requirement guidelines for his class
 - Completed all service hour requirements
 - Completed all guidance portfolio requirements
 - Be In good disciplinary standing
 - All tuition, fees, and other financial obligations are to be paid prior to final exams in order to be eligible to participate in final exams and any end-of-the-year senior activities.

Students who have achieved a high level of academic success may be designated in the following manner during Commencement Exercises:

- **Honor** – any senior who has earned a 3.8 cumulative weighted GPA at the end of the first semester of his senior year
- **Distinction** – any senior who graduates in the top 5% of the class as determined by cumulative weighted GPA. A student must have attended DeSales for a minimum of three years in order to graduate with distinction.
 - Students graduating with Distinction will be invited to submit a graduation address. A committee will select the student who will speak during the commencement ceremony.

ACADEMIC HONORS CEREMONY

Each year, a special awards ceremony will be conducted at the beginning of the school year to honor students for outstanding academic achievement during the previous school year. At the end of the school year, an awards ceremony will be conducted to honor the achievements of the graduating seniors. In addition to awards given for scholastic achievement, other awards sponsored by various civic and university organizations are given to students whose accomplishments merit recognition.

NATIONAL HONOR SOCIETY AND BETA CLUB

A sophomore (second semester) or junior who has at least a cumulative 3.5 weighted GPA will be considered for membership in the National Honor Society. A sophomore (second semester) or junior who has at least a cumulative 3.3 weighted GPA will be considered for membership in the Beta Club. In addition to the academic standard, the student must demonstrate that he has superior qualities in character, leadership, and service. These include school, parish and civic participation. Once a student meets the minimum academic standards, he is asked to supply information regarding the other areas. A three- member faculty committee appointed by the Vice President of Academics/Principal will review the information and select members for the current year. The advisor and principal act as ex-officio non- voting members of the committee. Good grades alone are not assurance of membership in either of the organizations. The other three qualities bear equal weight in determining membership. A student must maintain all of the standards from the time of

election in order for membership to be maintained. Annual membership dues are required, as is regular attendance at chapter meetings.

ACT/SAT HONOR ROLL

- A student is placed on the ACT Honor Roll for earning a composite score of 27 or higher on the ACT exam.
- A student is placed on the SAT Honor Roll for earning a composite score (English, math and writing) of 1800 or higher on a College Board administered SAT assessment.

TEXTBOOKS, CLASSROOM MATERIALS, and iPad APPS/BOOKS

- Student textbooks are the property of DeSales and are provided to students for use while the student is enrolled in a particular course, should texts be required by the teacher.
- Each student is responsible for the proper care of all classroom materials that are issued to him.
- Teachers may also use class sets of textbooks. In the event class sets of texts are used, students will be allowed to sign out texts with the teacher for use at home or away from school. Regardless of whether texts are assigned individually or used as class sets, no student will be denied access to appropriate learning materials.
- It is the responsibility of the student to purchase requested iPad apps and e-books/iBooks as needed for class. All apps/books purchased by the student and provided by the school will remain in the student's iTunes account that has been established using his DHS email address, specifically for use at DeSales.
- Students are responsible for paying for and downloading any required text for a course prior to the end of the first week of school.

Please see the Acceptable Usage Policy (AUP on page 48)

Attendance Policies and Procedures

Regular attendance at school is extremely important for a student to achieve academic success. Parents/guardians and students should understand the importance of the attendance record. This record becomes a part of a student's transcript and attendance records are often requested by post-secondary institutions and employers.

All students and parents/guardians are expected to respect and adhere to the published school calendar. **Parents/guardians are asked to refrain from scheduling trips, vacations, or other activities that require a student to be absent from school and are in conflict with the published school calendar.**

TARDINESS

- Any student who is not in his first period class when the tone sounds at 8:00 a.m. is considered tardy. Students may not be admitted into their first period class after 8:00 a.m. without an admission slip from the front office.
- A tardy may be considered excused only if the student is signed in through the main office by a parent or legal guardian. A telephone call, email, or handwritten note are acceptable ways to notify the front office.
- A student will be allowed THREE excused tardies each semester. Upon receiving a fourth tardy, the student must serve a JUG for that tardy and for each successive incident of tardiness regardless of whether the tardy is excused or unexcused.
- A student who misses more than 30 minutes of the school day is considered to be present half day.
- A student who is more than 30 minutes late to school must bring in a note from his parent or legal guardian verifying the reason for the late arrival. If a student does not produce a note from his parent or legal guardian he is considered to have been cutting school for that period and may be subject to disciplinary action.
- If a student's tardiness to school, excused or unexcused, begins to be excessive, as determined by the administration, the student will be placed on a DHS disciplinary contract.

ABSENCE

- Any absence from school that is related to student illness, a death in the immediate family, and/or serious family emergency may be considered an excused absence. All other absences will be considered unexcused. A student will not be able to make up work missed due to an unexcused absence. All exceptions must be approved by the Vice President of Academics/Principal.
- Participation in a school-sponsored activity that has been approved by the Vice President of Academics/Principal is not considered an absence.
- A student who misses more than 30 minutes of the school day is considered to be present half day.
- A student is considered absent a half day if he misses or is signed out of school for more than four instructional periods on a given day and is considered absent for a full day if he misses or is signed out of school for more than four instructional periods on a given day.
- In order to be eligible to participate in or attend extracurricular or athletic events, a student must be present at school for four full class periods and may not leave school due to illness.

- If a student's parent or guardian is to be out of town, a letter with information regarding the custodial arrangements during this time must be given to the main office prior to the parent's departure.
- Only the Vice President of Academics/Principal may excuse a student from classes. A student and his parent/guardian must confer with the Vice President of Academics/Principal or a Dean in advance if they foresee any activity or circumstance that would necessitate the student missing time from school. Doctor and dentist appointments, driving permits and tests should be scheduled outside the regular school day.
- The administration of DeSales High School reserves the right to review all cases of absence and/or tardiness. If at any point during the school year, a student's absences reach 10% of the completed school days, a student will be required to attend Saturday School.

EXCUSED ABSENCES

- Absence from school is excused only for student illness, a death in the student's immediate family, or serious family emergency.
- When an illness, death, or emergency requires a student to be absent, the school office must be notified between 7:30 and 9:30 a.m. on the day of the absence (368-6519) in order for the absence to be considered excused. This call by the student's parent/guardian protects both the student and the parent/guardian. If a call is not received before 9:30 a.m., the student is considered truant and the school will make an attempt to contact a parent/guardian.
- Absence due to illness on a school day immediately preceding or following a scheduled school holiday must be verified by a doctor's office note to be considered excused. Absence for any other reason must be approved by the Vice President of Academics/Principal or Dean.
- A student who is absent from school for approved reasons must turn in a note to the front office signed by the parent/guardian stating the reason for the absence. If a note is not provided upon return the absence will be counted as unexcused.

UNEXCUSED ABSENCES

- Vacations and family trips that conflict with the published school calendar are not excused absences.
- Absences for social events or other activities not related to the published school calendar are not excused absences.
- DeSales High School does not recognize any tradition related to student "skip days." Students who choose to participate in such days will be counted as an unexcused absence and will not be allowed to make up work missed as a result of the "skip day."
- Any student who is absent for unexcused reasons will not be permitted to make up any missed work. See Make-up Work Policy.

EXTENDED ABSENCE DUE TO ILLNESS

- The administration of DeSales High School will make every effort to work with students who are absent from school for an extended period of time due to illness. If a student must be absent from school for an extended period of time due to illness, the student or parent/guardian should:
 - Contact the school to explain the circumstances surrounding the extended absence from school.

- Work with the Dean of Studies to determine the necessary steps for completing student work and returning to school. Submit work that has been completed during the time out of the building to the appropriate faculty member, with the support of the Dean of Studies.
- When a student is absent for three or more consecutive days, the student must submit documentation from a physician or hospital when the student returns to school.
- The administration reserves the right to review each case of extended absence. The Dean of Studies will work with the family to determine the best course of action to make up work/credit.

FIELD TRIPS

- A student may participate in a school-sponsored field trip if he is in good standing both academically and behaviorally.
- A student's signed (by his parent/guardian) and dated field trip permission slip must be turned in before a student will be allowed to leave school for a field trip.
- Verbal permission over the phone, handwritten notes, and emails will not be accepted.

EARLY RELEASE

- A request for early dismissal from school must be presented to the school office by the end of first block on the day of the appointment. Early dismissal from school will be excused only for medically-related appointments or if the dismissal has been approved in advance by a member of the Student Services Team.
- Students may not sign themselves out during the school day without a written, signed note from a parent and/or legal guardian. The note must contain the student's first and last name, the date, the reason the student must leave school early, the time he must leave and will return, the parent's signature and a number at which the parent can be reached for verification.
- Permission to leave cannot be given over the phone, even for students who drive to school.
- Any student leaving school before the end of the school day must be signed out in the main office.
- For reasons of safety, students will be released from school only to a legal/custodial parent/guardian or person of record. If the person to whom the student is being released is not known by the staff member at the main desk, a photo ID will be required.

MAKE-UP AND LATE WORK POLICY

Please note that when an assignment is not turned in by the specified due date, the teacher will enter a grade of zero to notify the student of the missing work. It is up to the student to then make sure his work completed. A teacher will use the guidelines below to grade the assignment and record his score appropriately.

Student is present in class, but does not have work:

- Late daily homework must be turned in by the next class meeting for 50% credit. After the next class meeting, late daily homework will receive a zero.
- Late work for a major assignment/project will be assessed a 10% penalty every school day.

Student absence is excused:

- Student must have work upon return to class or the above policy applies.

- If a test or quiz is missed, the student will have one week to make up the assignment in our Testing Pool. The schedule for Testing Pool will be announced at the beginning of the school year.
- A student who is absent for a review before a test is still expected to take the test upon his return.

Student absence is unexcused:

- Any test, quiz, classwork, participation grade given or major project/assignment and homework due on the day of the unexcused absence will receive a zero.
- Any homework, project, major assignment given on the day of the unexcused absence will be accepted on the due date. It is the responsibility of the student to find out what work he missed in each class in order to be prepared for the next class meeting.
- If the unexcused absence is due to suspension, students may earn up to 60% credit on tests, quizzes, or major assessments.

All midterm and final exams must be taken during the scheduled time, unless the absence is excused with a doctor's note.

PARTICIPATION IN SCHOOL ACTIVITIES

- A student who is absent from school because of illness or who leaves school due to illness may not participate in or attend any athletic or other school event on that day, unless his parent/guardian has received explicit permission of the Vice President of Academics/Principal.
- In order to be eligible to participate in or attend extracurricular or athletic events, a student must be present at school for four full class periods and may not leave school due to illness.

POST SECONDARY EXPLORATION VISIT

- Students are allowed two excused absences for out-of-town official college or trade school visits or job shadowing experience in their senior year.
- Students are allowed one official college visit in the second semester of their junior year.
- **The parent must email the Guidance Counselor via email one week prior to a college visit to receive administrative approval for the official college visit.**
- A student must submit a Post Secondary Exploration Form via google forms that has the college or trade school admissions counselor or supervisor's information to the Guidance Counselor upon return.
- Occasionally, colleges will invite students to spend the day in an organized program on the campus. A student may attend those days, but in doing so he is using a college visit day.
- All class work missed as a result of any visit must be made up.
- These visits may not be taken on the day preceding or following a school holiday without prior approval from the Vice President of Academics/Principal.
- All visits initiated by students must be taken before spring break. College initiated requests will be decided on an individual basis.

- Some weather conditions necessitate that school be held, but opened on a delayed schedule. If such a decision is made, DeSales will start first block at 9:30 a.m. and dismiss at the usual time. DeSales will use our alert system to notify parents directly should this occur.
- If an early dismissal is necessary, the Superintendent's Office will contact the high schools and radio and television stations with the announcement, "Catholic High Schools in Jefferson County will dismiss at _____ p. m." DeSales will use our alert system to notify parents directly should this occur.

- If school is dismissed early due to inclement weather, all extracurricular activities at DeSales, including athletic practices and/or games, will be cancelled for that day unless otherwise notified by the DeSales High School administration.

ONLINE INSTRUCTIONAL DAYS

When DeSales High School is closed for inclement weather, the following online instructional plan will be implemented. Our “online school days” will count as regular school days and will not need to be made-up later in the school year.

Program Guidelines:

- Online school days will begin on the second day out due to inclement weather.
- Online instruction will be utilized for up to five inclement weather days. After five, additional days will be added to the school calendar.
- If there are widespread power outages in the city, the DeSales administration will decide if online school will be enacted for the day.
- Parents and students will be notified of “online school” via the alert system and email through Teacher Ease.

Student Responsibilities:

Online school is a unique opportunity for students to not only continue learning, but also to experience the online learning environment they are sure to experience in college and beyond. Each lesson will be meaningful, purposeful, and hold students accountable.

- Assignments and specifics for the day will be posted by 10:00 a.m. on Teacher Ease with due dates specified. Many assignments will be posted earlier than 10:00 a.m. and students are encouraged to check earlier in the morning.
- If a student is sick and cannot complete the online work at home, his parent will need to call the school office at (502) 368-6519 to report the student absent. The student will be recorded as absent for the day, and he will need to work with his teachers under the attendance guidelines of DeSales High School to complete work.
- Students will receive work that will average 30 minutes per class. Actual working time may vary for each learner.
- Students will be held accountable for participating and completing their online school day assignments just like a regular school day’s assignments would be handled. Students are responsible for checking all links and videos provided before 3:00 p.m. to make sure items are accessible.
- Teachers will be available for questions or if a student is having an issue with accessing items via Teacher Ease email and Outlook email between 10:00 a.m. and 3:00 p.m.
- Teachers may use a variety of communication tools which have already been utilized in class: FaceTime, Skype, online videos, Keynote, Google Docs, Notability, etc.
- If a student’s power or internet connection is down the parent must call or email the school by 10:00am and report this to the administration. The student will need a note from his parent/guardian when he returns.. DeSales will address these situations on a case-by-case basis.

For the safety of our school community and for efficiency in the cafeteria, DeSales students are required to wear lanyard IDs.

- If a student does not have his lanyard in the morning, he must report to the front office to receive a temporary ID.
- The student will receive 3 temporary IDs. Any temporary IDs received thereafter, will result in a JUG.
- If a student lanyard ID is lost or damaged in any way, the student must purchase a new ID in the office for \$10 without penalty. (ID Card or Lanyard alone - \$5 each) The replacement ID fee must be paid for before a new ID will be delivered.

A student is to remain in dress code from the time he enters the school building until he leaves school grounds. A student who is not in compliance with the dress code will receive a JUG.

Student Code of Conduct

In keeping with our mission, DeSales High School seeks to create a safe, positive and orderly Catholic Christian learning environment. Many factors come into play in providing such an environment.

The school recognizes that students who attend DeSales are at a point in life that is both complex and sometimes confusing – childhood is behind them and adulthood awaits them. It is therefore the responsibility of the school and all its members to help students develop the attitudes/values and skills/behaviors needed to navigate successfully the rough seas of adolescence in preparation for adulthood.

DeSales High School is a learning community made up of many members. Living and working in a community often requires the willingness and ability to look at situations from the perspective of another. It also requires one to consider the common good before the needs of the individual.

Finally, the choice of DeSales for one's education is a choice of values. Adoption of these values defines what it means to be a DeSales student and is the true source of Colt Pride. These values should guide decisions and actions of individuals and the school as a whole.

The DeSales community is committed to the following core values:

- Reverence for God
- Respect for the dignity of the human person
- Cooperation and care for self and others
- Integrity
- Self-discipline

CORE VALUES

Reverence for God: God is the source of life. All that we have is the direct result of God's love for us. The greatest sign of God's love is that He sent his Son, Jesus, to save and redeem us. Our response to this great love is hearts full of gratitude and praise.

- Expectations: Students are expected to participate in the daily prayer of the school through active listening. Students are expected to participate fully and appropriately in masses and prayer services. Students are expected to monitor their language so as not to use God's name in vain.
- Examples of unacceptable behavior: talking, working on assignments, etc. during daily prayer, sleeping during the daily prayer, disruptive behavior during worship services, and swearing to God.

Respect for the Dignity of the Human Person: Each person is a unique, special creation of God, made in God's very image and likeness. As a result, every person, regardless of his actions, is entitled to respect.

- Expectations: Students are expected to extend basic courtesy to all members of the community: fellow students, faculty and staff, parents, visitors in the building, etc. Students are expected to show tolerance and acceptance for the social/cultural differences found within the DeSales community and the larger civic community. Students are expected to show tolerance and acceptance of the personal opinions and preferences of others. Students are expected to demonstrate care for others' personal safety and property. Students are expected to show opponents in athletic and academic competitions respect in both speech and behavior. Students are expected to treat others as they themselves want to be treated.
- Examples of behavior that show a lack of respect for one's self: use and abuse of alcohol or other drugs, speeding or reckless driving of a vehicle on school property or on the way to/from school or school-sponsored events, and gambling.
- Examples of behavior that show a lack of respect for others: non-verbal or verbal harassment of another person; verbally, physically or in written form threatening another person; defiance of the authority of adults; fighting; and defacing or vandalizing school property or the property of others.

Cooperation and Care for Self and Others: In order to build up the DeSales community, cooperation and care among all its members are fundamental.

- Expectations: Students are expected to grow in self-esteem by developing and sharing their personal gifts and talents. Students are expected to demonstrate personal pride and care for their health, appearance and dress. Students are expected to demonstrate an attitude of helpfulness toward others. Students are expected to cooperate with rules and regulations established in order to ensure a safe,

positive and orderly learning environment. Students are expected to abide by the rules and policies of individual classroom teachers, moderators and coaches.

- Examples of unacceptable behavior: not adhering to the dress code; not following the policies contained in this handbook; and disruptive and/or non-cooperative behavior in classrooms, hallways, library, labs, cafeteria, or at school assemblies or other school-sponsored events.

Integrity: Honesty with one's self and others is necessary if we as individuals are to grow in self-knowledge and develop emotionally, physically, spiritually and socially.

- Expectations: Students are expected to be truthful about their actions, including the way they talk about themselves and others. Students are expected to do classwork and homework as directed by their teachers. Students are expected to report to the appropriate persons any activity that is not in keeping with the values of DeSales.
- Examples of unacceptable behavior: cheating in any form, allowing other students to copy work, presenting someone else's work as your own, forging someone's signature, and lying to protect yourself or someone else.

Self-discipline: One mark of adulthood is the ability to take responsibility for one's own attitudes, actions and achievements. Self-discipline requires that the person know what is expected of him and learns to do the right thing for the right reason.

- Expectations: Students are expected to demonstrate self-control. Students are expected to take responsibility for their actions. Students are expected to do all that is expected without constant reminders or direct adult supervision.
- Examples of unacceptable behavior: blaming others for one's actions and impulsive or explosive reactions to situations.

It is impossible to identify all the behaviors that would be unacceptable on the basis that they contradict these core values. Those that are identified above are examples of the types of things that students have done which contradict the core values. The list is not exhaustive, and students may be disciplined for unacceptable behaviors not specifically named here.

TEEN PARENT

The Catholic Church teaches that the creation of human life is a privilege and a unique blessing reserved for married couples. DeSales High School supports and promulgates this teaching. As a school, DeSales encourages sexual abstinence among the student body as premature sexual activity can interfere with the physical, emotional, educational and spiritual well-being of still developing adolescents. At the same time, the faculty and staff offer help and encouragement to a student who chooses to father an unborn baby. However, we do not want to encourage other students. Therefore, after the birth of the baby, the student may not bring the baby to school, school functions, or any school activity whether on or off campus.

RESPONSES TO BREACHES OF SCHOOL POLICY

It is the expectation of DeSales that each of its students willingly complies with the policies, rules, procedures and guidelines set forth in the DeSales Code of Conduct. The school recognizes that a student has the right and the freedom to choose non-compliance over compliance and all decisions have consequences. Some consequences are natural (for example, if you choose not to get out of bed when your alarm goes off, you may be late for school or work; if you fail to return a phone call, you may miss out on a major social happening). Some consequences are applied, i.e. imposed by someone in authority.

When a student engages in unacceptable behavior, a primary goal of the school is that the student changes the behavior. Punishing the student for the misbehavior is not the primary aim. Some unacceptable behaviors carry natural consequences, and such consequences may be imposed when appropriate.

- In the classroom, it is the right and responsibility of the teacher to institute policies, practices and procedures that regulate the teaching-learning environment in his or her classroom.
- Classroom policies, practices and procedures should not conflict with those of the school.
- It is the teacher’s responsibility to determine the consequences for behaviors that she/he feels are disruptive to the teaching-learning process.
 - Examples of such consequences include, but are not limited to:
 - Having the student return to the classroom after school for a designated time
 - Writing a letter of apology to the teacher or class or writing a reflection on how the student’s behavior is inconsistent with the mission of the school
 - Removing graffiti from the desks, radiators, etc.
 - Assisting with the cleaning of the classroom
 - Contacting the student’s parent/guardian
 - Writing a JUG
 - Notifying the Dean of Students or the Student Services Team so the student may be removed for the remainder of the class period

While the school believes that all of its policies are consistent with its mission and philosophy, DeSales recognizes that some breaches of those policies are more serious than others. For that reason, there are differing levels of response to breaches of school policies and/or behaviors seen as inconsistent with the school’s core values. Some behaviors may result in multiple JUGs, contracts, and/or mandatory referral for counseling services.

DeSales High School does not recognize actions that may be termed as “pranks” or “traditions” which result in damage to the school building or grounds. Students who engage in behavior which negatively impacts the reputation of the school, damages school grounds, and/or requires an expenditure of funds to repair or clean up damage that results from such actions may be subject to disciplinary measures and/or will be required to pay for the necessary repairs or clean up.

JUG

- JUG will be given for inappropriate behavior and violation of school policies. A JUG may be assessed to a student for any breach of school or classroom policy or for behavior not consistent with the core values of DeSales High School.
- JUG will be given at the discretion of the teacher or administrator when appropriate.
- The teacher/staff member will notify the student that they will be receiving a JUG and will submit an electronic JUG to the Dean of Students. Students may talk with the teacher about the JUG after class, however, if it becomes a distraction or disrespectful, the student may receive another JUG.
- All JUGs will be sent electronically to the student and parent/guardian. This electronic correspondence will be the only notification of the JUG. Because of this, it is imperative that students check their email regularly. JUG will be held on Tuesday, Wednesday, Thursday, and Friday from 7:00-7:45 a.m. No student will be admitted late.
- A student will serve JUG within two days of being assigned to JUG electronically by the Dean of Students.
- Students who are assigned JUG will not be permitted to miss JUG for any reason unless approved prior to the JUG by the Dean of Students or Vice President of Academics/Principal.
- A student will not be released from JUG because of athletic practices, etc.
- A student who misses JUG without the approval of the Vice President of Academics/Principal or the Dean of Students will be issued a second JUG and he will be responsible for serving both.
- Any student reaching 10 JUGs during one school year will be placed on a DHS growth agreement or DHS discipline contract.

SATURDAY JUG

- A student will be required to attend Saturday JUG if a student has had excessive absences or if a student continues to persist in a form of behavior that is not in accordance with the Student Code of Conduct.
- Once a student has received his fifth JUG, regardless of the offense or time assigned for the JUGs, he will be assigned a Saturday JUG.
- Saturday JUG will take place from 8:00-10:30 a.m. on an assigned date.
- A letter and email will be sent to a student's parent/guardian when he is assigned to Saturday JUG and must be signed and returned to the Dean of Students prior to the date that the student is assigned to serve a Saturday JUG.
- If a student fails to attend Saturday JUG, he will be immediately suspended and, may not participate in any school-sponsored event until the student's parents have met with the Dean of Students to discuss the infraction.

PROBATION/SUSPENSION/REMOVAL FROM EXTRACURRICULAR ACTIVITIES

- Some breaches of the DeSales Code of Conduct are serious enough to warrant probation or an immediate suspension. Fighting, possession of illegal drugs/alcohol, theft, physical or verbal threatening or assaulting of a student, faculty or staff member, and vandalism are examples of types of behavior that would result in a suspension.
- When a student is suspended, a conference between the parent(s)/guardian, and a member of the Student Services Team must take place before the student returns to school.
- If a parent/guardian refuses to conference with the Student Services Team, the student may be dismissed from DeSales High School.

- Any student who engages in a serious violation of the Code of Conduct may be removed from any extracurricular or athletic activity. The period of removal from an extracurricular or athletic activity will vary depending on the severity of the offense.

DISMISSAL

- A student whose behavior is so egregious or who fails to comply with the conditions of suspension and/or a disciplinary contract may be dismissed from DeSales High School.
- A student who is convicted of committing a felony or engages in behavior that would be considered a felony may be dismissed from DeSales High School.
- Any student trafficking in illegal substances will be dismissed from DeSales High School.
- Dismissal is immediate and once a student is dismissed, he may not apply for readmission.
- A student has the right to appeal a dismissal to DeSales High School.
- At the end of the school year, a review of all student records, both disciplinary and academic, will be conducted.
 - As a result of that review, a student may not be invited to continue his education at DeSales.
 - A student who is invited to return may be placed under contractual agreement.

Financial Policies

PRIVACY OF FINANCIAL INFORMATION

The School Business Office will provide financial information only to the person or persons who sign the Tuition Payment Contract as being responsible for a student's charges. Students will not be given financial information.

TUITION AND FEES

The school offers two payment options for tuition:

- A single tuition payment is due on or before July 1 and a twelve month payment plan with payments beginning in June
- A discount will be offered to families who choose the single tuition payment option
- The school utilizes bank drafts for all monthly tuition payments
- Fees are not part of the tuition and may not be included on tuition contracts

Tuition accounts must remain current throughout the school year. Should an account fall into arrears, it is the parents/guardians responsibility to contact the Director of Finance to make arrangements for the past due tuition. Tuition accounts that are not current could result in the student being withdrawn from St. Francis DeSales High School and the account being turned over to an outside agency for collection. Diplomas, transcripts, and/or report cards will not be released until all financial obligations to the school have been satisfied.

NON-PARISH ASSESSMENT

Per Archdiocese of Louisville requirements, a \$50 non-parish fee will be assessed to non-Catholic families or families who are not active and participating in a Catholic parish. This fee will be billed to your family. It is a family's responsibility to show proof of parish membership by a phone call or letter from your parish. You will be notified if you are not listed as a member.

TUITION ASSISTANCE

The school utilizes the Public School Aid Service for evaluation of and recommendations for tuition assistance. These forms are due directly to Private School Aid Service on or before the published due date. Applications that are late or incomplete may not be evaluated. Please read all instructions carefully and complete all questions. Responses to financial assistance applications will be mailed in May. Families receiving a tuition assistance award are required to sign an Acceptance of Tuition Assistance Award and Amendment of Tuition Payment Contract Form and return the form to the school office by the established due date.

Failure to complete this form and return it to the school office by the due date could result in forfeiture of a family's tuition assistance award.

DeSales High School complies with all Kentucky High School Athletic Association bylaws regarding tuition assistance.

SCHOLARSHIPS

If your son has been granted a scholarship from an outside source, (i.e. elementary school, outside organization) this amount will not be deducted from the tuition but will be posted as a tuition payment when the actual check is received at the school. It is parent/guardian's responsibility to provide written documentation from the awarding organization to the school and arrange for the outside source to pay the scholarship in a timely manner. The check needs to be made payable directly to DeSales High School.

If you have chosen a single tuition payment option, please make sure the school receives the payment before July 1; any payments received after this date may cause you to forfeit your early payment discount.

DeSales High School complies with all Kentucky High School Athletic Association bylaws regarding student scholarships.

- School professional personnel may be present to interpret information contained in the student records.

ASBESTOS MANAGEMENT

The Archdiocese of Louisville's Catholic schools deal with asbestos-containing materials as directed by the Kentucky Department of Natural Resources and Environmental Protection (KDNREP). Students should not enter work areas of the school such as the boiler room without the specific permission or direction of a responsible adult, and they should not vandalize pipe insulation or tile floors and ceilings.

Asbestos-containing materials are in good condition and pose relatively little potential for the release of asbestos fibers under normal use and conditions. DeSales will continue to be inspected on a regular basis to insure that asbestos-containing materials pose no health hazards, and that all parts of the building meet government regulations.

The complete inspection report and laboratory analyses for DeSales are available in the main office if you wish to consult them.

Technology Acceptable Use Policy

Internet and electronic device access is available to qualified students, teachers, staff, administrators and invited guests at St. Francis DeSales High School. Individuals who use these computing facilities do so as guests and are expected to conduct themselves according to the DeSales High School Technology Acceptable Use Policies (AUP). A student and his parents and/or legal guardians must sign a Technology Acceptable Use Policies Contract, prior to receiving an electronic device. The electronic device, case, and charging cord issued to the student are property of St. Francis DeSales High School.

St. Francis DeSales High School supports the rights of students, staff and community members to have reasonable access to various information formats and believes users need to use this privilege in an appropriate and responsible manner. The school uses web filtering and monitoring software and hardware to identify web sites that are inappropriate for students and prohibit access to them. While our filters block most inappropriate sites, no filtering system is perfect and in a global network it is impossible to control access to all materials that are objectionable or inappropriate. DeSales High School cannot, and does not, represent that users will not have access to inappropriate or objectionable material. Parents and legal guardians must consider this in deciding whether to permit their sons' access to the Internet.

All users are required to use electronic resources in an educational or school-related business manner. No user shall employ any resource for which they have not been given permission. No user shall use any school resource to perform illegal activity. Users are not allowed to transfer or store on school resources, any material considered copyrighted, obscene, or threatening. All users, at any level, are responsible for reporting violations of any rule to an appropriate individual (i.e. teacher, principal, technology coordinator). The school has the right and capability to access and monitor all information located on school electronic devices. Faculty and administrators have the means and the authority to gain access to student electronic devices remotely. Any attempt by students to circumvent such surveillance is prohibited.

A detailed list of policies is broken down into different aspects of electronic usage. As is always the case, other policies may be developed in response to any additional misuse or abuse of electronic devices, the school network, or the Internet. If a DeSales High School user violates any of these policies, his or her Internet and electronic device access could be terminated and future access could be denied. The signatures on the DeSales High School Technology Acceptable Use Policies Contract are legally binding and indicate the parties who signed have read the policies carefully, understand their significance, and agree to abide by these terms.

ELECTRONIC DEVICE USAGE

- Students will receive their devices during Orientation/Business Day and will return them in May before summer break.

CONSEQUENCES

Consequences for improper use of school electronic resources can vary due to the severity of the action. Punishment can range from temporary restricted usage, permanent loss of access, forfeiture of the electronic device, to dismissal from DeSales High School.
